DCR Recreational Advisory: Charles River Basin

WHAT: The Department of Conservation and Recreation (DCR) would like to remind the public that the Boston Pops has relocated its annual Fourth of July concert and fireworks display from the Hatch Memorial Shell at the Charles River Esplanade in Boston to the Tanglewood music venue in the Town of Lenox. The City of Boston is scheduled to host a fireworks display over Boston Common on July 4, 2021, but these fireworks will not reach a height of more than 400 feet. As a result, viewing from the Charles River Basin by boat will be limited. Given the difficulty of entering and exiting the Charles River Basin by boat due to ongoing construction work on the North Washington Street Bridge, DCR encourages the public to seek alternate viewing locations to enjoy the Fourth of July celebration.

WHERE: Charles River Basin at the Charles River Esplanade

WHEN: Sunday, July 4, 2021
